

BALAI BOWLS CLUB 2021 – 2022 PAIRS COMPETITIONS

Well, at the fourth time of trying we can finally get something going!

Thanks for the entries. The Bowling Committee has agreed that we shall amalgamate the Men's and Ladies' pairs as we did with the Dean's Cup so that people get more games. As before, the highest placed pair, men and ladies, wins the relevant trophies.

The Mixed pairs will be a stand alone six team league.

The deadline is set as SATURDAY 10th SEPTEMBER. Please make best efforts to get all the games played. In the list below, I have marked as best I can a 50 / 50 split home or away. The **HOME** team is responsible for offering dates and booking a rink.

Same simple rules as before. Rink settings must be on WHITE. If there is more than one game at the same time, lots to be drawn for rinks. If there is just the one game and you don't agree on which rink is to be used, lots to be drawn.

Substitutes are allowed for all or part of a game, with the proviso that one of the original pair must be playing and that the substitute can play for only ONE team.

There are no fixed dates or times. However if things are getting interesting in either or both leagues, we will consider a 'finals day' as we successfully did with the Dean's Cup.

May the best teams win! Please let me know when games are being played and can both teams send me the score. Keep scorecards if you wish.
